“All You need is Love, We’ll do the Rest...”

The Strand Hotel, Ballyliffin can be tailored to suit your budget, requirements and aspirations. We are here to ensure that your expectations are not only met but exceeded. We believe that our hotel is where you should share the beginning of your life together as husband and wife, with friends and family.

The Strand Hotel is modern yet traditional and understated. Whether it's a sunny, summer wedding with champagne and strawberries on our manicured lawn, a mulled wine winter reception or civil ceremony, the Hotel is managed by a team of people who are passionate about their jobs and who want to ensure that your day is most memorable.

Our Atlantic View Banquet Suite is beautifully decorated, has a stunning coastal backdrop and is an ideal room to host your wedding reception. The room can seat up to 300 people and yet it can also be turned into a smaller venue for more intimate weddings.
